THE PATH NEWS

Mission Statement

Our mission is to provide a Christian living environment that allows true rehabilitation. To allow long term stays for life changing, biblical teachings to take effect. To encourage the work ethic, for those without a home in Citrus County.

From Your Director . . .

Some time ago, one of our donors asked to be emailed when needs arise for The Path. It has been some time since I have done so, and not to say that we can do something directly about the needs. But we may know those who can help— God bless you all.

1. The Path bargain store must now hook up to the water system. Estimated costs are about \$4,500 from start to finish. The store is a mile and a half east of County Road 491 on State Road 44.
2. The bargain store is in need of several very large sheds or one large metal building to put on the back of the property for storage.
3. The upstairs loft to the store is permitted to have an office, but we need building materials of wood and drywall to complete.
4. The farm for growing crops is in need of a person who can watch the crops and apply some water and fertilizer now and then. It is 10 acres and we have just recently planted cucumbers for the spring crop.
5. We need to upgrade our computer applications to MS Office 2003.
6. We have several positions for volunteers, especially phone calls. We also have paid positions open.

Thank you for your continued support and prayers. By God's grace we are growing, and the lives of our clients are being touched by the gospel and changed in the process.

The Vision

To bring the good news and teachings of Jesus Christ to those in need by means of example according to Matthew 25: 35; " For I was hungry and you gave me something to eat, for I was thirsty and you gave me something to drink, I was a stranger and you invited me in, I needed clothes and you clothed me, I was sick and you looked after me, I was in prison and you came to visit me."

The Path to Success**

DAWN

Your prayers are being answered! Dawn is now ready to take her state CNA test on May 1. Encouraged by her example, another Path client began the CNA training program on March 26 and might also be ready for her state test in May!

Let's all continue to lift up these women in prayer!

And please don't forget the men at The Path! They are also making great strides on their road to self sufficiency.

**What's New on The
Farm**

We have planted cucumbers and cantaloupe. Is there an avid farmer out there to help us with watering and fertilizing? We will consider a paid position or trade!

Please keep the crops in your prayers.
